Summary

Frontend-focused Full-stack Developer with more than 5 years of experience building production web and mobile applications using React, Next.js, and TypeScript. Hands-on experience with Node.js, MySQL, and AWS, delivering end-to-end systems including admin dashboards, e-commerce, and scheduling platforms.

Frontend: HTML, SCSS, JavaScript, React, Next.js, TypeScript, Tailwind CSS, Ant Design, Mantine

Backend: Node.js, Fastify, REST APIs, MySQL, AWS (EC2), PM2, Git

Experience

KOSCA Solutions – Frontend Developer (Part-time)

April 2024 – Present

- Built responsive UI features using React, Ant Design, Tailwind, Vue, SCSS
- Collaborated with PMs and engineers to translate requirements into clean, user-friendly interfaces

NRG IT Solutions – Frontend Developer (Full-time)

November 2023 – January 2026

- Developed and maintained web interfaces and apps using React, Next, Mantine, React Native, and Vue
- Collaborated with cross-functional teams to implement user requirements and UI improvements

Splendoor In-Home-Care, LLC – Full-stack Developer (Contract)

September 2025 – December 2025

- Built and maintained a full-stack in-home care platform with web admin and mobile app, supporting scheduling, invoicing, payment via Stripe and secure client records.
- Implemented backend APIs, authentication, database schemas, and AWS EC2 deployments using Node.js, TypeScript, MySQL, and PM2.

Tazza 365 – Full-stack Developer (Contract)

June 2025 – December 2025

- Developed a full-stack community and forum platform using Next.js, TypeScript, Node.js, and MySQL, supporting user posts, moderation, and dynamic content.
- Implemented authentication, role-based access, and scalable UI components with a focus on performance and maintainable architecture.

Dragonfly Chain – UI Developer (Part-time)

February 2022 – April 2024

- Designed and built responsive UI using HTML, SCSS, JavaScript/jQuery, React, and TypeScript
- Collaborated with project managers and engineers to translate requirements into UI solutions

Maimai Intech, Inc. – UI Developer (Full-time)

January 2021 – March 2022

- Developed responsive UI components using HTML, SCSS, Bootstrap, JS/jQuery
- Created website visuals, UI layouts, and marketing graphics based on business requirements

Education

Bachelor of Science in Information Technology — STI College Global City (2013–2017)
